

# **ecMobile Scanfob Setup Instructions for iOS Devices**

First, follow steps 1 through 7 on page one of the general Scanfob setup instructions for iOS, which can be found here: <http://install.e-courier.com/MobileInstall/ios/resources/Scanfob-2002-BT-Setup-SPP-HID.pdf>. DO NOT follow the instructions on page two of that document, since they do not apply to iOS devices.

Then scan the following barcodes:

Set Scan Suffix

All Codes

^

End
